IN RE DECLARATORY RESOLUTION  
NO. 427-1921 ADOPTED BY THE  
BOARD OF PUBLIC WORKS OF THE  
CITY OF FORT WAYNE, ON THE  
7TH DAY OF APRIL 1921.

Comes now John H. Bass, owner of Lot No. two (2), Eliza Hanna, Senior's Subdivision, being a tract of land in the Northeast Quarter ( $NE\frac{1}{4}$ ) of Section Two (2), Township Thirty (30), Range Twelve (12), and lying between Duck Street and the Saint Mary's River and Barr Street and Calhoun Street in the City of Fort Wayne, Indiana, and remonstrates against the opening of the street as set forth in Declaratory Resolution No. 427-1921 for the reason that the damages allowed me are not sufficient or large enough in amount; that the real estate owned by the Remonstrator and across which said street is to be laid, is within three squares of the Court House in the city of Fort Wayne, and is located on the principal streets of said city; that said proposed street is sixty-six feet in width and that if said street is established and laid out it will reduce the Calhoun Street frontage of the property of this Remonstrator to practically nothing; that the opening of said street over the ground of this Remonstrator and along the South side of the river will be of no benefit at all to this Remonstrator but will be a damage to the property of this Remonstrator in the sum of Ten Thousand Dollars(\$10,000.00).

For the further reason that if said street is ordered established the cost of paving of said street will be

assessed entirely against the property of this Remonstrator as he is the sole property owner on the South side of said proposed street; that the river lies on the North side of said proposed street and that there is no abutting property owner on the North side of said street that could be assessed for the paving of said street.

Your Remonstrator further says that the opening of said street would not be of public utility and that the proceedings herein are contrary to law.

WHEREFORE your Remonstrator prays that said street be not opened and that if the street is opened that he be allowed damages in the sum of Ten Thousand Dollars (\$10,000.00; that no benefits be assessed him.

John H. Bass
